Dear {FIRSTNAME reader},

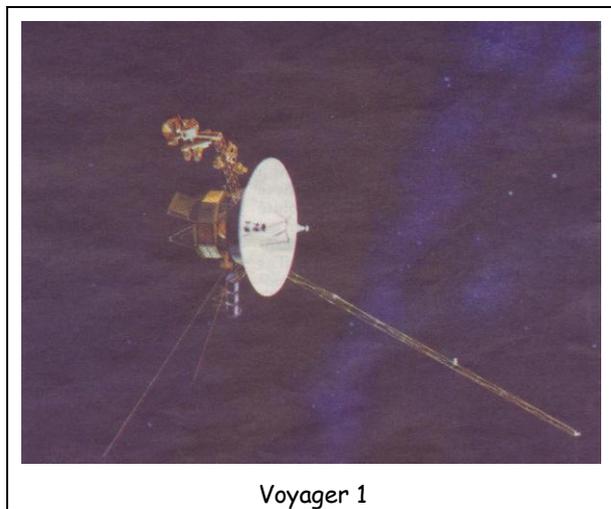

25 issues of the Newsletter already!

- Like many other nations before France introduced a gay marriage law Feb 13 ("Marriage for all"). The Law is permitting adoption. "Medically assisted procreation" for all versions of marriage partners is expected to follow. Moral standards are coming down. What's next? Marriage with multiple partners, or with underage kids or with ...? Bonjour Sodom.

- Empty Churches: A Swiss church issues "Fidelity Cards" for kids. There is a sticker every time they attend mass. When card is full they get a toy...

- The new Pope Francis has all the sympathies as he is a modest person. However, he allegedly was not against same sex marriage in Argentina.

- Voyager 1 outside the solar system? Some scientists say yes, some no. Any case 35 years after its launch the spacecraft is at a distance of more than 17 billion kilometres (about 16 light hours) from the sun. Still in contact with us, but its energy source will only last for 15 more years. Then it becomes a silent messenger from humanity to whoever can catch it and decipher the DVD it carries.

Is this not good news? Alas as you see the number of good news we picked is not overwhelming. Of course it is a selection but if one has the laws of the Almighty at mind, these are the issues which makes one think.

Apart from that, things are ok. Most people are happy despite...well I stop here because that news is negative.

As I write this down below on

Bay street of our town in Malta youngsters are cheering. They chartered two old London open top double-decker buses and circle the district screeching, yelling and waving flags. Another bunch of students who made it to their graduation.

That's the way one has to spend the day. Don't worry, be happy. And tell the universe about it. It will respond with pleasant news.

Enjoy this issue's texts. First we put a confirming statement that Jesus = Father = Holy Spirit are the godhead and not three persons as the churches teach. True, it's a bit difficult but did you expect that God who can be acting in a billion places simultaneously is a simple entity?

The second issue explains why the world is like it is. All problems are self made: Afghanistan, Syria, Yemen, Libya, North Korea etc. We would live in a paradise if humanity would only live several decades like the 10+2 commandments suggest. But it seems we have to wait until the big cleansing.

The Venerable Council Meeting is taken from "Robert Blum - From Hell to Heaven". You experience a top level discussion taking place in the Spirit World.

In the meantime make peace at least in your close neighborhood. Ok? That at least we can program.

Tell us how you like the Sermons on YouTube (thelordssermons). Any suggestions for improvement?

And yes, we still are looking for an accent free speaker to do the remaining Sermons (support@hisnewword.org).

Happy Easter with the Passion by Jesus on [audio here](#) (scroll to the bottom of the list).

Take care and may God bless you.

### The true Trinity (SpS, #3201)

The following text is an excerpt from the work Spiritual Sun 2. The setting deals with a group of people who, after their life on Earth find themselves in the spirit world. Jesus is their guide. But they did not recognize Him so far as He acts like a simple guide and servant. Having discussed several subjects they are seated at a big table and the talk turns to the Trinity.

[12] Says the table servant: Dear friend and brother! Behold only now are you matured so that I can reveal the truth to you and you all, - and so hear it:

[13] This heaven which you see here is nothing but an appearance of your mistaken belief; the Trinity which you see is the culmination of your error.

[14] How could you ever think that three Gods in the end are still one God? That every one

of these three Gods does something different and still all three should be completely of one essence and nature? Moreover, how could you think of an idle God, when he was the most active being since eternity? You see, this was the reason for imagining an idle eternal life, not considering that life is an active force which God breathed into all His living creatures through His eternal active force.

[15] Did the Lord on earth not teach He and the Father are one? Did He not say "Who sees Me sees the Father"? Did He not also tell you: "Do you believe that I am in the Father and the Father in Me?"

[16] Here you will tell Me: dear friend, you well know that our faith was in shackles. It was impossible for us to discover something different from what the church taught us with threats of eternal punishments in hell and on the contrary also with an indeterminate veneration of heaven always adding: "No eye has ever seen, no ear ever heard and no man has ever imagined what God prepares for those who love Him!"

*"Once God's spirit rises in man like the morning sun, day has dawned within him. However, this is not like a day on this earth, which ends with the evening; but it is an everlasting day of life and the full rebirth of the spirit of God in the human soul.*

*Great Gospel  
of John, 7: 001*

## The true Trinity (GGJ, #3202)

**As explained by Jesus Christ to His disciples and revealed in the 11th volume of 'The Great Gospel of John'.**

**"The Father, I as the Son, and the Holy Spirit are, distinguishably, One and the same from eternity.**

[3] The Father within me is eternal love and as such the primary source and actual primal substance of all things filling all infinity.

[4] I as the Son am the light and wisdom, which goes forth from the fire of everlasting love. This mighty light is the everlasting most perfect self-consciousness and the brightest self-recognition of God and is the everlasting word in God,

through which everything there is, has been created.

[5] But to do all this also requires the almighty will of God, which is the Holy Spirit in God, through whom these works and creatures are to be fully realised. The Holy Spirit is the great pronounced word 'It shall be!' - and it is what the love and wisdom in God have decided.

[6] And see, all this is now present in Me: the love, the wisdom and the power! And therefore there only exists one God, and this is Me, and I only have taken on a body here, to reveal Myself better to you people of this earth, who I have created to My likeness, in your personality - as it is the case right now."

2. today's focus

Why does God tolerate Injustice, Mischief and War?

There is no lack of sad and dire incidents in our day and the media are reporting the full measure. Many are asking where is God – if there is one – why does He tolerate all this? Often the quick answer is, well there is no God or else He is not a good but a sadistic being, or He does not care about us humans or He is powerless. Therefore it is most important to learn firsthand why God tolerates all this horrible injustice on earth even if it is caused by us humans and not by God himself.

Puppets on a string are cute and do everything their playmasters want them to do. The question has to be asked: Do we humans want to be puppets on God's string? I doubt it. For heaven's sake, we want to decide for ourselves, we want freedom in action and thought. Yes, we know God is almighty and good. He loves us immensely and wants love in return. This is why He does not want to touch our complete freedom of will and thought in the least and is holding back His infinite power.

*Verily, he in whom
this day dawns, will
not ever again see,
feel or taste death.*

of John, 7: 01*

The Venerable Council Meeting

From Hell to Heaven – The guidance of Robert Blum in the Spirit World

Book excerpt

Introduction

In 1848, though knowing it would be dangerous, Robert Blum fought hard for the cause of Civil Liberties. He was a man of many parts, a politician (MP), publisher, author, poet and freedom fighter. Words were his weapons. 1848 was a year of widespread unrest in many European countries. All over, people rose up against autocratic regimes.

In October of that year Robert travelled from Frankfurt to Vienna, the capital of the Austrian Empire. Taking part in the October uprising there, he was captured, court-martialled and then executed by firing squad.

One of the works our Lord Jesus Christ dictated to Jakob Lorber and which is part of the New Revelation

is called “From Hell to Heaven, the guidance of Robert Blum in the Spirit World”. The narrative starts with Robert Blum’s last days in Vienna, what he experienced after being shot and then goes on to describe which path the Lord chose to lead him to eternal bliss.

The following excerpt is taken from this work. We are here at a moment where the Lord hosts a meeting inviting Robert and other people who had lived before in Austria. The subject under discussion is ‘Atrocities’ which are suffered by many many people throughout the world.

We meet souls of individuals attending this conference who are coming from all backgrounds. Among the conference attendees are Adam, Noah, Abraham, Moses, the Apostles Peter and Paul, but also recently (around 1848) deceased citizens of Vienna. One of them is a girl, Helena, whose love for the Lord is so deep that He has forgiven her the Magdalena like life she led on earth. Jesus even invites her to sit at His side in this conference, a rare privilege.

And the meeting starts. [To read on click here and download document #3195.](#)

Sermon 15

The Casting out of a Devil

Luke 11, 14-28: Jesus was driving out a demon that was mute. When the demon left, the man who had been mute spoke, and the crowd was amazed. ¹⁵ But some of them said, "By Beelzebul, the prince of demons, he is driving out demons." ¹⁶ Others tested him by asking for a sign from heaven.

¹⁷ Jesus knew their thoughts and said to them: "Any kingdom divided against itself will be ruined, and a house divided against itself will fall. ¹⁸ If Satan is divided against himself, how can his kingdom stand? I say this because you claim that I drive out demons by Beelzebul. ¹⁹ Now if I drive out demons by Beelzebul, by whom do your followers drive them out? So then, they will be your judges. ²⁰ But if I drive out demons by the finger of God, then the kingdom of God has come upon you.

And when he departs from his body, my angel will come to him and say: "Immortal brother, arise from your prison, put on the light garment of honour in God, come and from now on walk freely in the abundance of eternal life in the presence of God, whose love grants you this grace."

of John, 07:001

7. overview: the new revelation

Since the beginning of time God had been in contact with mankind. With every nation. In every century. Without interruption.

The form of communication differs. God came in the form of angels, He used prophets whom He instructed (e.g. Isaiah). He gave people visions (e.g. Swedenborg) or revealed His messages in dreams (e.g. Joseph) and He had people write by direct dictation (e.g. Moses).

Communications, instructions and messages did not stop with Jesus. Some churches, unfortunately, claim that Jesus said it all. With Him revelation stopped. Despite the contrary written in scripture.

The New Revelation, God's New Word, was received by dictation. Word by word. Every word of those 25 volumes was dictated to Jakob Lorber, Leopold Engel and Gottfried Mayerhofer by the Lord. It took about 50 years to finish. Some say it's the Eternal Gospel promised by the angel. It sure contains wisdom for generations of researchers.

To doubt that the texts of God's New Word were really of heavenly origin ask for

the report "New Revelation and science". It shows that most prophecies done have become reality by now.

Cornerstones of the New Revelation:

1. In His New Word, the New Revelation, God reconfirms again and again that love is the basis of God. "The Father" really is God's love.
2. God created all beings - all angels, all souls, all spirits - out of love. It was out of His endless love that despite the high treason of Lucifer and one fifth of all created beings He did not destroy them but created the material universe. Matter is a prison and school through which He leads the rebellious souls back into His kingdom.
3. Out of love He created man and put him to test on earth and gave him the choice between good and evil.
4. Out of love He took flesh in Jesus, His "Son", suffered terribly, accepted utmost humiliation and given His physical body as a sacrifice to free all humans from the slavery of sin.
5. Out of His love He gave mankind the privilege to become His children if they choose to obey. A privilege not even His first angels have.
6. Out of love He has been incredibly patient with mankind. But He also said that out of this love He will chastise mankind if they turn away from Him, lest they'll be lost. That happened and will happen again.
