Dear reader,

Listen to the Lord: The Christmas Story represents the initial chapters of the revealed word "Childhood of Jesus". We've put it on the website earlier this year.

As we have informed you in a special broadcast, we added the audio version. So now you can download it and listen on your computer. But you also have a great Christmas gift for your kids, your family or friends if you burn it on CD. To download go to the "Downloads" tab at www.hisnewword.org.

The next audio project is the Passion. We hope the production will be ready for next Easter. We will inform you in due course.

God bless

1. in the news

Another evolutionist: It would almost be funny if it were not so sad. Despite all of its flaws another scientist is hitting the evolution drum. Did you see the "Have your say" show on BBC on Sunday December 9? It featured Prof. Richard Dawkins and his book "The God Delusion" which allegedly has sold over a million copies. (Anything against God is in fashion now, after the DaVinci Code.) We have not read it but Dawkins' main claim is that the chance of God existing is "less than 1%" and that Religion is more dangerous than atheism. And he came to this conclusion "scientifically" and also mentioned the Darwin evolution. A phone-in listener asked what he would say to God when he would meet Him after his death. Answer "I would ask Him/Her which God are you, Zeus, Apollo, Baal, etc....and then I would ask why He did conceal Himself from humanity and I would have a lot of questions about science if He/She/it had the time to answer, which I doubt...".

Knowing what God told us in the New Revelation it is not difficult to answer all those questions: Who He is, that He conceals Himself for a very good reason (our freedom of choice) and there are a ton of answers on the scientific side. We can finally safely assure Prof. Dawkins, that God would have plenty of time to answer his questions and would probably respond to more questions than he would ever be able to ask. In fact in the New Revelation He has answered already the main scientific questions e.g. about the macro- and microcosm.

But then, the atheist professor would perhaps listen but probably not believe anything.

Christmas Day

The Birth of Jesus

From "THE LORD'S SERMONS"

St. Luke II, 1-14: " And it came to pass in those days, that there went out a decree from Cesar Augustus, that all the world should be taxed. (And this taxing was first made when Cyrenius was governor of Syria.) And all went to be taxed, everyone into his own city. And Joseph also went up from Galilee, out of the city of Nazareth, into Judea, unto the city of David, which is called Bethlehem; (because he was of the house and lineage of David:) To be taxed with Mary his espoused wife, being great with child. And so it was, that, while they were there, the days were accomplished that she should be delivered. And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger; because there was no room for them in the inn. And there were in the same country shepherds abiding in the field, keeping watch over their flock by night. And, 10, the angel of the Lord came upon them, and the glory of the Lord shone round about them: and they were sore afraid. And the angel said unto them, 'Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord. And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger.' And suddenly there was with the angel a multitude of the heavenly host praising God, and saying, Glory to God in the highest, and on earth peace, good will toward men."

(Received on December 25, 1871)

This chapter deals with My birth, a day you celebrate each year on December 25, in accordance with the rites of the church.

You are already familiar with the events at the time of My birth, but there are still many unclear points concerning this act of My first visible appearance on your earth, the deeper meaning of which, in its spiritual correspondence, is still unknown to you. Therefore, I shall make further revelations for your benefit, as well as that of My believing children of the future, to show you that even the smallest thing concerning Me and My coming to the earth is of the greatest significance and will repeat itself on My Second Coming to this small globe, the dwelling place of My children who will be great one day.

As the conditions on earth once made it necessary for that particular people at that particular time to witness the great act of grace and

love which I accomplished for you and all the spirit world, on My Second Visible Coming a time and place will again be chosen to suit My purpose best.

You were right in calling this feast "Holy Night". It was, indeed, a hallowed night when I consecrated Myself for your sake and that of all material creation as an offering of meekness, when I, the infinite Lord of the entire creation, put on a fragile, perishable garment, which among millions of beings on other worlds, as far as its outer appearance is concerned, is far beneath the supreme archetype of a human image. Many inhabitants of other worlds are endowed so richly that man of this earth appears to be only a weak imitation of that which I put into this form as an image of My own Self. And yet, although the dwellers on other globes surpass men of this earth in many ways, spiritually the latter are destined for something infinitely greater than the dwellers in paradise-like worlds and suns. Although they enjoy an eternal spring and live in conditions you cannot even imagine, they lack a clear comprehension of Me, of My spiritual creation and My fatherly love.

They are good, because no evil endeavours to induce them to the contrary. They recognize a Supreme Being and kneel before Him in awe, but none of them dares to think that this Supreme Being might wish to press any of His created beings to His fatherly heart and give it the sweet name of a child.

Only those who have gained this position through struggle and victory are entitled to this, and they can become children of God.

In the school where such children of God are educated, beside the greatest spiritual exaltation, there also has to be the opposite - the greatest possible humiliation, and they must be able to turn completely away from the good, if they so desire. In order to demonstrate to you that it is possible to make positive progress between such extremes and overcome all obstacles, I clothed Myself in one of the lowest and most unpretentious human forms and descended upon this dark globe which - as regards its endowment and size - ranks in My creation similar to infusoria compared with all the beauties and wonders of your earth.

But since in My creation even the most minute infusoria in their own way have been made as perfect as man, the Lord of this earth, My principle of creation, on all levels of created beings, shows that I am greatest in the smallest, and particularly in this point stand forth as the mighty Creator and Lord. This was the reason why I chose one of the smallest globes to reveal My greatness, thus proving to My entire world of spirits and souls that only in the smallest is the greatest possible and that the greatest glory is gained in the greatest humiliation; that he who sacrifices all is worthy to possess all.

Man's life on earth is
a hard school of
experience and trials
for beggars and
kings.

Great Gospel of John 4,243

Therefore, I was not born in a palace to parents of high standing, but in lowly circumstances. However, in the circumstances of My birth the sublime, the spiritual, had to be suggested. Thus, the census was decreed by Herod and I was not born in a house built by men, but in My own house, that is, in the open, in a cave.

Neither emperors nor kings witnessed My birth, not even ordinary people, but only animals - unspoilt creatures.

The census was responsible for Mary's journey to Bethlehem in order to bring about that which would honour the King of all creation.

Millions of superior spirits sang the hymn of praise: "Glory to God in the highest and peace on earth to all men of good will!" These and the animals, as they had gone forth from My hand, were present at My birth. Such witnesses were befitting to Me, the Lord of the heavenly hosts, wrapped in swaddling clothes.

On account of the census My birth could not remain unnoticed. Thus, at that time, Herod, the cruel governor and Tetrarch of Jerusalem had to rule, thereby making My further education and My later career more difficult. Through the overcoming of all these difficulties, it had to be proven that, although I placed Myself in the lowest position, I would - witnessed by My entire world of spirits - still fulfil My task, namely, besides setting an example of the greatest humility and self-abnegation, to make this small earth into a training-school for My children, who are destined one day to change, for all the beings living on other globes and suns, the image of the Great Spirit and Creator of all visible nature into one of a loving Father.

What I had planned aeons ago and had begun to carry out over a thousand years ago, is now nearing its completion. My religious teaching, My word, which cannot be replaced by a better one, - My teaching of love must be universally accepted. Love alone must rule; all passions of the human heart, which I have put into it so that through battling against them love could be won, all these passions must be controlled and placed before the altar of love. Hatred, vengeance, pride and whatever they may be called, these powerful impulses of evil within man, must all be silenced. The cross, nailed to which I once asked forgiveness for erring mankind, must - as a symbol of reconciliation - be loved and honoured by everyone and sometimes even carried in remembrance of the way I have shown, which is the only one that can lead men to spiritual heights.

As towards the end of My sojourn on earth circumstances seemed to work against Me, apparently leading to My death, but through the resurrection from matter and My return into My spiritual kingdom actually bringing about My greatest triumph, at the present, too, men seem to be afflicted by an ever growing number of misfortunes and catastrophes. However, man shall rise, like the phoenix from the ashes, out of burnt worldly opinions and prejudices, unscathed as a spiritual product of his Creator, as a spiritual child of a supreme

spiritual Father.

Like a rudderless ship mankind is drifting towards this destination. But first all the artificial walls the human intellect has built around the loving heart, the barriers of birth, station and superficial knowledge must be pulled down. Man must cease to think with his intellect and learn to feel with his heart. Only when the warm fire of love has warmed his whole soul, can wisdom, as a regulating impulse, set limits to love and let men feel all that with which I have endowed them and why I have created them such and not otherwise.

Whenever I, as Christ on earth, prayed to My Father, it was Wisdom calling to Love to limit its boundless action. Just as wisdom and love can only exist with each other, I, as the Christ, was one with My Father, the Love, and therefore I could say: 'No one knows Me,

except the Father in Heaven and I alone know Him', or 'I go to the Father' and so on. Thereby I meant to say: All the world was created out of love, but wisdom has regulated its conditions. Love creates, and wisdom preserves. Love, as the "Father", was the highest symbol of purity whereas I, wisdom, as the "Son", proved it through the deed. Thus also man, as My descendant, shall become a manifestation of love and wisdom. He shall love first and only then shall he learn to be wise so as to comprehend fully My creation and his mission in it.

This is what I have in mind for you and all events are leading you in that direction. I have demonstrated to My spirits how what they considered impossible has become possible. I have led with My example and have made My beings on this small earth into citizens of My Infinite Kingdom, into My sole children.

What I once started as a babe in a cave near Bethlehem and what was praised by millions of angelic spirits, but not comprehended by men, except vaguely suspected by a few, has now been accomplished.

I have accomplished the work of reconciliation, of love and forgiveness. The world is cleansed of all impure dross of selfishness. And even if afflictions and catastrophes destroy man's physical body, they cannot harm his spirit and soul. This part of man is standing above the ruins of the world with arms outstretched towards the divine Saviour Who - as once on earth - is calling to all: "Come unto Me all ye that are heavy laden that I may take off your burden and refresh you! Come, you fighters for love and wisdom, receive the crown of life; the realm of spirits is open to you and you may see the hosts of angels rejoicing and praising the Lord with the same words as once before: "Glory to God in the highest and peace on earth!" For He came into His own

I must not force anyone to have faith, for any force would be a judgment of the spirit.

Great Gospel of John 2,24

What's in a birthday?

The subject is rather appropriate for the Christmas season. The following text is a letter destined for a close friend of Jakob Lorber, Anselm Hüttenbrenner ('Wortemsig' . word-busy, as he was called by the Lord, for he was an avid writer.) Thus the abbreviation AHW. It is contained in the work 'Gifts from Heaven' which contains short articles and essays covering various subjects and questions Lorber asked the Lord by himself or as requested by his close friends. And the Lord answered. Call it heavenly FAQ!

Birthday

[Gifts from Heaven 02_42.10.13]

Today note something for AHW for his understanding that the Father in heaven well knows the day when a man's earthly body was born.

Listen my dear AHW! Really it is no small thing when a human being is born into the world from the mothers' womb. Believe Me, what it takes until a human soul is ripe to be born into the world having passed through all stages, is more than you will be able to grasp for eternities. All actions and all preceding creations which all were only done to prepare for mankind, tell you that the creation of mankind was not as trifle as some fool of philosopher imagines.

Thus it is just fair to say that even the bodily birthday has to be an important day for every human as it is not a day of coincidence but one which was determined since eternity. – But why and how such a day was determined from eternity will be shown right away! So listen:

Within endless deep space of time and eternity I called into free existence, according to the numbers 3 and 7 an endless number of spirit beings, similar to Me. An immense number of them cut themselves off from Me by abusing their freedom. But another immense number united with Me forever. So what to do with those who separated? Should they perish forever or should they be brought back, in a way only I am able to perform?

Behold, this was even for Me, the all powerful and most high and endlessly wise creator, not such an easy question! Because if I let them perish, death is also part of Me. If I lead them back My inviolable holiness of My eternal order is endangered. – What should be done in this case?

He who will walk and act with Me in everything, will find that his activity is always accompanied by true blessing.

Great Gospel of John 8,154

See, the answer to these important questions is still before you, and many eternities will still have to deal with it.

Wherein consisted this answer, does still consist today and will for all eternity? Love as the only life in God somehow had to detach itself, capture and tie up the immense number of spirits and out of them form innumerable worlds in endless kinds according to the nature of such caught spirits.

After all these worlds had been formed starting with the primary central suns, only then every atom of the world was computed to determine at precisely which thousands of a second it would be set free. This big computation done, only then the biologic-organic creations started in the highest, wisest and well calculated way through all levels. And at the end only came man who is a most perfect recipient of all preceding steps and a perfect point of reunification of the life which came out of Me.

But in order to avoid a disorder against Himself through this reconstitution of these old beings at the side of God, He had to quasi reconstitute Himself anew, by Me becoming a human, to build a new heaven and finally see to it that everything would become new, like He.

Now behold, all this is contained in a single birthday!

Therefore be aware of what it holds, so that you will experience a great new birthday in spirit.

Accept this revelation in your heart as a congratulation for your birthday by Me, your loving father, and you will rejoice at every birthday here and in the beyond. For days like these appear in the beyond for whom they concern more brilliant than others. And with this receive My fatherly blessing and remain in My love eternally! Amen.

7. overview: the new revelation

Since the beginning of time God has been in contact with mankind. With every nation. In every century. Without interruption.

The form of communication differs. God came in the form of angels, He used prophets whom He instructed (e.g. Isaiah). He gave people visions (e.g. Swedenborg) or revealed His messages in dreams (e.g. Joseph) and He had people write by direct dictation (e.g. Moses).

Communications, instructions and messages did not stop with Jesus. Some churches, unfortunately, claim that Jesus said it all. With Him revelation stopped. Despite the contrary written in scripture.

The New Revelation, God's New Word, was received by dictation. Word by word. Every
