### The Prehistory of Mankind

(#3083)

How did your early ancestors live?

Understanding the origins of human life and the tasks and problems is one of the important issues for everyone of us. It means to appreciate the environment and conditions we experience now.

The current theories science has imposed on us all starting from school, claim that nature has developed out of pure chance and humans are a result of evolving apes. These assumptions are wrong. Scientists have created ways of thought which will lead into dead end roads for they are excluding the notion of a higher spiritual being behind our existence. Fact is God has created every form of living existence and man is the crown of God's creation, a reflection of God's image because God is the un-created eternal primary man.

Everything went without problems for uncounted eons and Lucifer grew in wisdom and power. So much that he developed the idea to dethrone God and become himself the top ruler. He plotted to overthrow the Lord and a fifth of all created spirits joined him in this venture.

Love is the basis of God and thus the spirit world. This revolution was carried by the contrary of love and thus Lucifer froze and fell together with his followers creating in this way matter, the physical world and the universe. God's reaction, however, was not annihilation or destruction of the revolutionaries. Instead He banned Lucifer turned Satan and his followers into matter, their prison, with the aim to make them repent and return to Him after a long voyage. Thus all fallen souls banned into matter had and have to pass through the different kingdoms, mineral, plant, animal, and finally arrive at the human level.

Needless to say that we still are looking for voluntary translators (German - English) who will contribute their time to make this work of the Lord fully available to the English speaking world.

The "Cross Reference" file is available on our website called "# Bible and New Revelation - Cross Reference (3180)". Click [here](#). To use it download the file and store it on a secure place of your computer where you can use it immediately.

## The Purification prior to My Return

(#3187)

"Behold, if you love Me genuinely, you should not fear anything, even with the earth falling to pieces beneath your feet! Really, I tell you even on the smoldering rubble of a destroyed world you would learn that I am Eternal Love. A one and only good Father for those who have discovered Me in spirit and in the truth of the love of their hearts.

[2] Yes, I tell you, I shall destroy suns and jumble the debris of the world like flashes in a thunderstorm and inflame all eternal infinity with the fire of My wrath and still, not a hair of those who love Me shall be scorched. Because I am always a loving and holy Father for My children.- Amen

[3] The Earth will therefore exist as it existed after Noah, and will bear My brighter children; only the too greatly prevalent filth will be removed from it and come to another institute of purification, of which there is truly no lack in My eternally great kingdom and also of which eternally there will never be a lack.

*"However, who seeks Me in love will soon and with ease find Me within himself as the force of all life."*

of John, 08, 214
